

Get arty this Easter from your fingers to your toes

This is one of our favourite bits of holiday fun. An arty project that lets kids do what they do best – get messy.

All you'll need is paint, paper and a willing volunteer or two. We'd recommend waiting for a nice day and taking on these masterpieces outside, but if the British weather isn't on your side a few old newspapers should do the job.

The rest is up to you and your Petit-Picassos. Start with hand and feet prints and make them into whatever seasonal delights spring to mind. Customise, create, experiment and enjoy. Take a look at our examples if you need a little inspiration.

And once all the fun is over, why not sit down and enjoy a nice Pink Lady® apple? Perfect.
